

## MOST WANTED

**PURE FOR SURE** From Sarandon to Zellweger, legions of A-listers flock to Tracie Martyn's Fifth Avenue salon for her Resculpting Facial® and Resculpting Body Treatment® (prices start at \$200). Her MO for a wrinkle-free complexion and toned body spares them a costly nip and tuck and keeps them eternally loyal. The former top makeup artist's Enzyme Exfoliant® (\$90, ABOVE) salvages dull, sun damaged, or broke-out skin. Martyn is a stickler for all-natural ingredients, and this new exfoliant's potency comes from a powerful formulation of pineapple enzymes, volcanic minerals, botanical oxygen, and Indian-lotus-flower essential oil. The battle cry for a radiant, youthful complexion is just a jar away. Available at Tracie Martyn, 101 Fifth Avenue, 212-206-7315
