SECRET SKIN SAVERS

Scientology, watch your back. These little-known creams, cleansers, and serums are inspiring a cult following of their own.

It's no secret that skin-care fanatics are on a constant quest for the most elusive blemish-clearing, line-smoothing, radiance-imparting elixirs. On our own mission to uncover the most prized skin-care products, we've eavesdropped on models, spied on makeup artists, and quizzed dermatologists to see what has tongues wagging. Let the chase begin.

TRACIE MARTYN FIRMING SERUM

“Before it was even bottled, this purple potion had an avid following. Clients such as *Linda Evangelista* and *Susan Sarandon* encouraged Tracie Martyn to start selling the serum she plied in facials. *Liv Tyler* even pleaded to take home a preproduction sample in a plastic bag.” www.traciemartyn.com
