

WWD THE OSCARS

Work or play, the countdown to the Oscars was a schedule so packed with campaigning for red-carpet placement that it would've wiped out even the most gung-ho of presidential contenders.

Saturday, Feb. 28

9a.m.: **Kelly Lynch** steps out of the **Tracie Martyn** bungalow set up at the Avalon Hotel, where the New York aesthetician has been seeing the likes of **Liv Tyler**, **Renée Zellweger**, **Diane von Furstenberg** and **Madonna** (twice) this week. "This woman has made me 10 years younger! I can't get enough of her," Lynch enthuses. **Martyn** devotee **Susan Sarandon** shows up a bit later for her session, among a handful scheduled before the skin specialist and her partner, **Marius Morariu**, head over for a P.A. at Barneys New York.
